

Working for Tax & Accounting Professionals

**Marc Dombrowski** - E-Services for the Modern Representation and Tax Practice (I asked for an updated description) (1CPE)

June 26, 2024 at 3:45 pm – Majestic Ballroom

The course will review the various E service products and how to apply them to use in a tax practice. So much changed in 2021 and 2022 with the creation of the New Tax Pro Account. IRS Transcripts of Account will be reviewed as well. Attendees will see how the IRS online services suite can best be used to gather and interpret their client information.
